## Bio

Christine is a gospel singer, songwriter, pianist, author, instructor and a graphic artist. Using these gifts God gave her to serve others and sow into their ministries brings her great joy! She sang with three different mixed trios since 1996 but in September of 2023, she launched a solo ministry, and God has opened more doors than she could have ever dreamed possible. She has shared the gospel singing on cruise ships to front porches, restaurants to hospital rooms. In just the last 12 months, she has opened in Texas and Alabama for Jeff & Sheri Easter, Darrell Luster, Gold City, Joseph Habedank, Anthem Edition, The Whisnants and The Hoppers. She has been part of "Sunday Morning Country" at the Grand Ole Opry House for the last three years.

Wherever God leads, she follows and walks steadily in His grace and mercy. She has a passion for speaking at women's conferences. *"She had us laughing and crying at the same time. She is genuine and anointed. What a memorable day I won't soon forget!" - Abby M.*

In the summer of 2022, Christine recorded her 11<sup>th</sup> CD... a debut solo project called "**Bring Him Every Need**" and the 12<sup>th</sup> project was recorded in 2023 called "**Getting Ready to Go**" ... both are **AVAILABLE NOW!** There's a variety of songs on these recordings... hymns, praise and worship, Southern Gospel and it also includes original songs she wrote including "**It Will All Be Worth It Someday**" released to radio in Spring 2024 and "**Beyond The Clouds**" which was released and charted with Canyon Creek Records in October 2024. "**How Did That Feel**" has been streamed over 608,000 times and "**Bring Him Every Need**" has been streamed over 507,000 times on iTube247.com. Her music is also available on Spotify, Apple Music, iHeart Radio and multiple other digital platforms.

In 2023, Christine was a presenter and performed at the Gospel Music Fan Awards in Somerset, KY and again in 2024 and 2025 in Fayette, Alabama. She was invited to sing at Kentucky's **The Ark Experience during the 40 Days and 40 Nights of Gospel Music** in August of 2024 appearing just before Guy Penrod. She will be there again on September 5<sup>th</sup> of this year. She is both a DJ and co-owner of a gospel internet radio station playing a wide variety of gospel music called **Finding Faith Radio** (a Live365.com station). Several years ago, Christine wrote a Christian fiction book called "*Apply Within*" and also published 365 devotions in a book called *Daily HeartSongs - Volume 1*.

Since it's global debut on April 4, 2025, her original song called "**Mended Fences**" reached **#1** on the Airplay Express Gospel Chart and has continued to chart in the Top 10 (YouTube Video [Link](#)). It's a message of hope and the importance of forgiveness no matter what we have been through. Jesus is the answer and loves us.

*"My 30+ year ministry consists of sharing music from my heart to encourage you and give praise and honor to my Lord Jesus Christ. I have been recording music for over 40 years and singing for the Lord even longer. It is a blessing and I long to continue serving the Lord through my music, writing books and teaching God's Word. He gave me my first breath and I'll give Him my last."*
